**Vision:**
Effective school boards establish a clear vision with high expectations for quality teaching and learning that supports strong student outcomes.

**Accountability:**
High academic standards, transparency, and accountability undergird a world-class education.

**Policy:**
Policy is how a board sustainably exercises power to serve students. Through policy, school boards establish a set of cohesive guidelines to transform vision into reality.

**Community Leadership:**
Through public advocacy and community engagement, school boards share their concerns and actions with the public.

**Board/Superintendent Relationships:**
Both the school board and the superintendent have essential leadership roles that are interconnected but different.

Let the Children Lead – Board Diversity
What is the Vision 2030 Board?

**Traditional School Board**
- Hires a Superintendent with vision
- Approver
- Offers tactical solutions
- Facility/Finance/Ops focus
- Offers opinions/anecdotal evidence
- Votes Yes/No; Binary approach
- Composition reflective of candidates willing to serve
- Board meetings are a requirement for Superintendent
- Community of “knowers”

**Vision 2030 School Board**
- Leads the creation of a vision with a transformational Superintendent
- Initiator
- Creates a long term strategy
- Student achievement focus
- Asks for data; uses it in justifying decision making
- Listens to each other; discussion creates improved outcomes
- Composition reflective of diverse student body; Diversity = strength
- Board meetings add value and create focus/priorities for Superintendent
- Community of learners
Integrating the Vision 2030 Framework

- College & Business Community Partnerships
- Climate & Culture
- Resource Allocation for Student Achievement
- Branding & Marketing
- Enterprise Risk Management
- Vision
- Relationships
- Community Leadership
- Policy
- Accountability
- Student Achievement
**Climate and Culture:**
What is our current district culture? What are our organization’s values? Is our Board’s culture and values consistently adopted throughout the district? What are the intrinsic qualities our graduates should possess?

**College and Career Focused:**
What are colleges’ expectations of our graduates? What are the needs of business communities for the workforce of the future? How is our program of study meeting those needs?

**Long Range Student Achievement Resource Allocation:**
How do we identify and allocate resources to address our most important student achievement opportunities? What are our students’ intangible and academic needs?

**Enterprise Risk Management:**
What are our most critical assets? What are our greatest risks? How are we addressing those risks? Are our insurance coverages adequate?

**Brand creation and communication:**
What is our brand? What brand do we want to communicate so parents know our public schools are THE ONLY choice for a high quality education?
