  • The Superintendent may not employ or approve the initial employment of the spouse, father, father-in-law, mother, mother-in-law, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister or sister-in-law of a local school board member or the Superintendent.
  • The Board may waive the prohibition as to relatives of the Superintendent.
  • The “Grandfather Clause” applies to continuing employment of relatives.
Additional Board Member Conflict of Interest Requirements

- **Prohibited Employment – Section 22-5-5**
  - Board members shall serve without compensation.
  - A Board member may not be employed in any capacity by the School District governed by that Board during the term of office for which the Board member was elected or appointed.

- **Charter Schools – Section 22-8B-4B**
  - No Board member shall serve on the governing body of or be employed in any capacity by a locally-chartered charter school located in the School District during the Board member’s term of office.
Additional Board Member and Employee Ethics and Conflict of Interest Requirements

- **Board Members’ and Employee sales or contracts with the School District – Section 22-21-1**
  - Board members and employees may not sell or be a party to a transaction to sell instructional materials, furniture, equipment, insurance, school supplies or work directly or indirectly under contract with the School District:
    - Exception: Sales in regular course of business made in compliance with Procurement Code.
    - **BEWARE:** Unless an exception applies, violation carries **FELONY** sanctions!!
Board Members as Volunteers: Incompatibility Doctrine

- Exists where there “is an inconsistency in the functions of the two offices, as where one is subordinate to the other, or where a contrariety and antagonism would result in the attempt by one person to faithfully and impartially discharge the duties of both.” *Haymaker v. State ex rel McCain (N.M. 1917).*

- Doctrine has not been applied to volunteers in New Mexico.
Board Members as Volunteers: Incompatibility Doctrine

- 2001 Texas Attorney General opinion: School board member barred by the common-law doctrine of incompatibility from simultaneously serving as a volunteer part-time teacher in a regular academic class for a single semester.

- Primary incompatibility related to *supervision*. In capacity on school board, member supervised Superintendent. In capacity as volunteer teacher, board member was supervised by the Superintendent.
Board Members as Volunteers: Incompatibility Doctrine

- New Jersey ethics opinion: by serving as a “lead volunteer” of a club that meets in a school in the board’s school district, board member violates NJ’s code of ethics for board members.

- Board member responsibility is not to administer the schools but, with other members, to ensure that schools are well run. The frequency of the volunteer activity, the level of interaction, and control of the club evidenced direct involvement in the day-to-day administration of the school district in violation of the Code of Ethics.
Board as Impartial Decisionmaker at Termination and Discharge Hearings

- The School Board determines whether there is just cause to discharge or terminate an employee who contests the Superintendent’s decision.
- Due Process requires that the Board be impartial, and base its decision only on the evidence presented at a hearing.
- If board members are too involved in personnel issues (failure to refrain from delegated administrative functions), employee may have argument that he or she didn’t get an impartial hearing.
- Don’t try to be the Director of Human Resources
- Don’t be the board member who all employees go to to voice their grievances with administration
- Do refer employees to the chain of command and grievance process; report to the Superintendent and ask Superintendent to report back on resolution.
Additional Board Member and Employee Ethics and Conflict of Interest Requirements

• **Procurement Code Restrictions**
  
  • **Unlawful employee participation** – Section 13-1-190.

  • Local public body employee (includes Board members) may not participate in a procurement (i.e., authorize the procurement or approve the contract) when the employee or a member of the employee’s immediate family has a financial interest in the business seeking or obtaining the contract.

  • “Financial interest” means officer, director, trustee, partner or management position or 5% or more ownership interest. Section 13-1-57.
Additional Board Member and Employee Ethics and Conflict of Interest Requirements

- **Procurement Code Restrictions**

- **Contemporaneous Employment** – Section 13-1-193.
  
  Local public body employee (including Board members) may not participate directly or indirectly in procurement, and may not be or become the employee of a person or business contracting with the governmental body.
Additional Board Member and Employee Ethics and Conflict of Interest Requirements

- **Waiver of Unlawful Employee Participation and Contemporaneous Employment – Section 13-1-194**
  - The School Board may waive these Procurement Code restrictions by making a determination (usually by resolution adopted in public meeting) that the conflict has been disclosed publicly, that the Board member can perform the procurement function without bias or favoritism (usually by abstaining from involvement in the procurement process), and that the waiver is in the best interest of the School District.
  - We recommend that the resolution recite that in the absence of the waiver, the School Board could not procure the construction, goods or services at a competitive price.
