POLICY SERVICES ALERT

To: All Superintendents and Board Members

Re: Change of month in policy on Board Organization.

With the change in the election cycle for School Boards, a Board will now reorganize at the first meeting in January. Policy services suggests that since policy BDA is the policy describing the reorganization, and the legislature has changed the date upon which newly elected candidates take office, upon swearing in, the agenda provide an action item for the correction of policy BDA. The correction can be made by substituting the month of January for March in the first paragraph of policy BDA as found below. Following such action, the Board may proceed with the election of officers as indicated in the body of the policy.
