Do Now

What are the most important aspects of effective leadership?

Norms

Give yourself the gift of learning!

Session Goal

Deepen understanding around the Seven Levers of Effective Leadership and build upon the best practices that already exist in your districts to identify areas of opportunity.

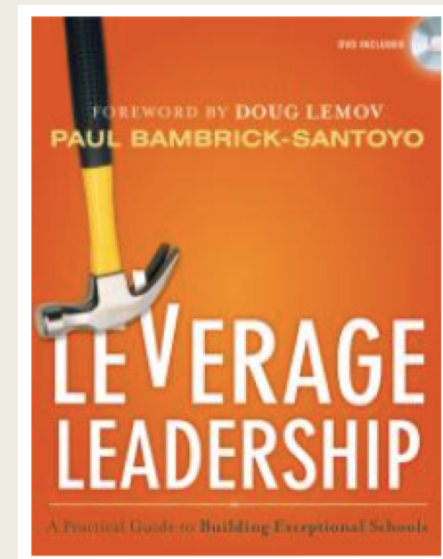

Outcomes

Participants will

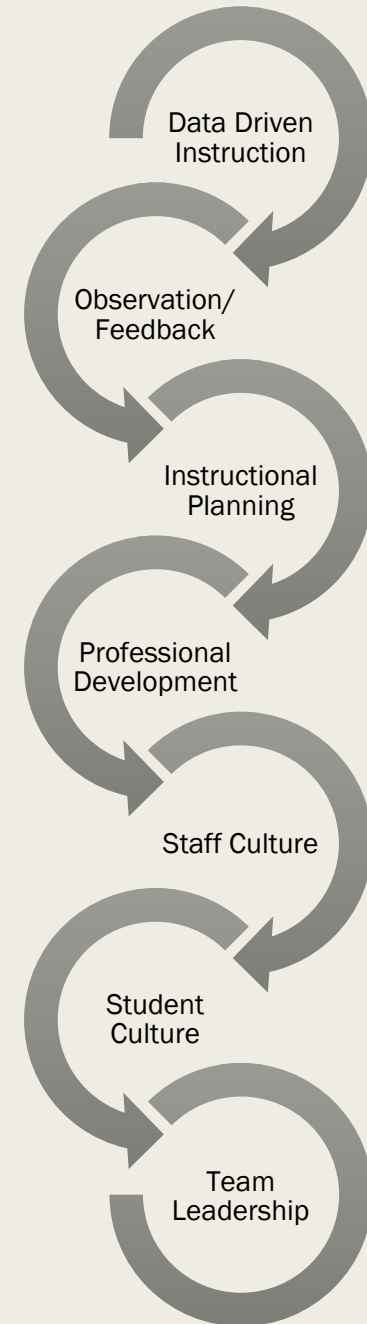

- Reflect and measure districts “current reality” through the lens of the Seven Levers
- Explore opportunities to develop and implement sustainable systems that lead to improved student achievement
- Identify next steps to develop systems, moving from theory to practice

Why the Seven Levers of Leadership?

If the key to effective school leadership is prioritizing the seven levers, then the key to effective district leadership is to develop leaders who can -and will- put those levers into practice.

7 Levers of Effective Leadership

Applying the 7 Levers

Reflection

What happens in your district that aligns to the Seven Levers of Effective Leadership?

Lever	Evidence

Team Leadership	

Opportunity & Personal Commitment

- What do you see as the big opportunity for your system to better support principals?
- How do you as an individual help move your district toward that opportunity?

Let's Collaborate

Next Steps

What immediate changes can be made to your current system so as to improve your district's ability to support principals, teachers and students?
